Dear Mr. Hashim:

We are delighted that The Council for Tobacco Research will be able to support the 1994 UAB Vascular Biology and Hypertension Research Symposium in the amount of $500.00 (received 4-5-94). This is certainly a very generous endorsement, and we are deeply appreciative. We are looking forward to a productive time and would be very pleased if you or your colleagues were able to join us at the Symposium.

We look forward to hearing from you. Thank you again.

Sincerely,
